“Throughout the entire year Career Services organized various company events and career coaching aimed at providing the students with job opportunities in the desired fields of activity. In my case, this led to accepting a job offer from a company invited to the campus for a special Recruitment Day.”

Diana Cuturela, Franchise Manager, ESMT Full-time MBA 2010

“Career Services helped us not only get a job, but have the career that we want. We started with individual counseling sessions where we defined the best career strategy based on our own goals and aptitudes and continued with more technique-based exercises, like cover letter writing or interview simulations with recruiting professionals.”

Angelina Cepareanu, Consultant, ESMT Full-time MBA 2010
