Dahlander, L., and S. O'Mahony (2017). A study shows how to find new ideas inside and outside the company. *Harvard Business Review*.

Criscuolo, P., L. Dahlander, T. Grohsjean, and A. Salter (2017). The biases that keep good R&D projects from getting funded and how to overcome them. *Harvard Business Review*.

Dahlander, L., and H. Piezunka (2017). Why some crowdsourcing efforts work and others don't. *Harvard Business Review*.

George, G. L. Dahlander, S. Graffin, and S. Sim (2016). From the Editors: Reputation and Status: Expanding the role of social evaluations in management research. *Academy of Management Journal* 59(1): 1–13.

van Knippenberg, D., L. Dahlander, M. Haas, and G. George (2015). From the Editors: Information, attention, and decision making. *Academy of Management Journal* 58(3): 649–657.

Dahlander, L. and H. Piezunka (2013). Geben und nehmen [Give and take]. *Harvard Business Manager* 10: 12–13.

Conference proceedings

Piezunka, H. and L. Dahlander (2015). Benevolent rejections: How organizations foster engagement and effectiveness in the external search for innovation. *Academy of Management Best Paper Proceedings*. (top 10% of papers).

Dahlander, L., S. O'Mahony, and D. Gann (2014). One foot in, one foot out: How individual search behavior affects innovation outcomes. *Academy of Management Best Paper Proceedings*. (top 10% of papers).

Dahlander, L., P. Criscuolo, and A. Salter (2009). Outside in, inside out: The impact of knowledge heterogeneity, intra- and extra- organizational ties on innovative status. *Academy of Management Best Paper Proceedings*. (top 10% of papers).

Dahlander, L. (2007). In the club: Human and social capital of leaders in free and open source software communities. *Academy of Management Best Paper Proceedings*. (top 10% of papers).

Teaching experience at business schools and universities

2011–present

ESMT Berlin:

Courses on innovation and entrepreneurship, MBA, EMBA and executive education programs

ESMT Berlin/Berlin Doctoral Program on Economics and Management Science:

Course on social and economic analysis of network.

2006–2008:

Imperial College London:

Courses on innovation, undergraduates
Applied statistics, doctoral students

2003–2005:

Chalmers University of Technology:
Innovation and strategy

Selected presentations in recent years

2018

Aarhus School of Business and Social Sciences
University College London
Singapore Management University
INSEAD
TU Berlin
Erasmus University Rotterdam

2017

University of Bath
Technical University of Hamburg

2016

Stockholm School of Economics
Boston University
INSEAD
Harvard Business School
Vienna University of Economics and Business
Technical University Munich
Universität St. Gallen

2015

Potsdam University keynote
Academy of Management Conference
Chalmers University of Technology
Universität St. Gallen
Bocconi University
Vinnova Conference Stockholm
Imperial College Business School
Linköping University

2014

INSEAD
London Business School Sumantra Ghoshal conference
University of Hamburg THIS conference
Academy of Management annual conference

2013

London Business School
Cass Business School
Aalborg University
Ludwig-Maximilians-Universität München
Tilburg University

2012

Politecnico di Bari
Ludwig-Maximilians-Universität München
ETH Zurich
Academy of Management conference
London Business School Sumantra Ghoshal conference

2011

World Intellectual Property Organization
Stockholm School of Economics
Academy of Management conference,
Aarhus School of Business
Imperial College Business School
Turino workshop

2010

Stanford University
Gothenburg School of Economics
Chalmers University of Technology
Science of Team Science Conference

2009

Stanford University
Sunbelt conference
Academy of Management conference

Conference organization

Co-organizer (with Lars Frederiksen and Francesco Rullani) of the track Managing Open Innovation through Online Communities at the EURAM conference 2007 in Paris, France. This resulted in a special issue in *Industry & Innovation*.

Co-organizer (with Paola Criscuolo and Ammon Salter) of a workshop on Knowledge Exchange and Networks in November 2006 at Imperial College Business School, London, UK.

Languages

English: fluent, Swedish: mother tongue, and German: basics.
